Daphna holds qualifications in business, leadership and coaching. She and her team work closely with leaders and their teams, across the globe, to transform workplace culture through developing leadership habits to master your mindset, inspire your team and enhance business results.

With a solid track record coaching CEOs and their teams, Daphna's main areas of focus are: purpose-driven leadership, vision & strategy, resilience, productivity, leading change, feedback and enabling leadership confidence and team effectiveness.

“I work with talented, high-achieving CEOs who are experts and are looking to up their game in leading people and leading business. CEOs work with me to become confident, inspiring leadership and build future leaders in the business. Together we create the extraordinary.”

Background

Before establishing her coaching career, Daphna worked in the corporate environment as a director and actuary. She lectured actuarial science at Wits University and University of Johannesburg. At different periods, she ran an actuarial consulting company and corporate event management company.

She hosts Leadership Live podcast and has written 2 books: *Courage to Lead* (2014), a practical leadership 'how-to', considered to be essential reading for leaders and aspiring leaders & *Weekly Habits for Extraordinary Leaders* (2020), a practical guide to building habits for becoming a confident, effective and inspiring leaders.

Assignments across Europe, US, Africa, Middle East, Australia and India include the following client projects:

- MSD – 1-1 coaching and 360 feedback processes
- Medtronic – Leadership development programmes for alignment with values and 1-1 coaching
- Siemens – Mentoring programme
- Dariel Solutions – Strategy sessions, 1-1 coaching
- GIBS Business school – leadership development programmes
- Hollard Insurance – Mentoring programme, effective communication workshops, 360 feedback, 1-1 coaching

“My interactions with Daphna as executive coach have assisted me enormously in making sense of challenges opportunities and obstacles that greatly affect the way I view existing and future opportunities. Daphna has successfully changed my view of executive coaching from cynic to advocate.” IAN ROSS, EXECUTIVE DIRECTOR
