'The most wisdom per word of any keynote speaker'. — NIKE

Terence Mauri is founder of Hack Future Lab, a global think tank, #1 Bestselling Author (FT Publishing/Bloomsbury) and one of the most in-demand disruption thinkers in the world who inspires leaders to thrive in the age of disruption. His thinking on how to find your next cutting edge has been published in The Economist, Forbes, Reuters, Huff Post and Wired and he has delivered keynotes for clients including Visa, Facebook, VMware, Capital One and HSBC. Terence holds Entrepreneur Mentor in Residence roles at MIT and London Business School and has over 20 years experience of helping leaders bounce back from adversity and move beyond disruption.

NOT TAKING A RISK IS A RISK

Terence has first-hand experience of growing \$100m+ businesses in rapidly changing times as a former director at Saatchi & Saatchi where he advised leaders from iconic companies including Apple, Microsoft, Netflix and Novartis.

One day a car lost control, mounted the curb and hit Terence. This terrible accident changed his life forever and has enabled him to share new growth strategies for one of the greatest challenges facing leaders today: transforming your business in the face of massive and yet hard to predict disruption.
