

MICHAEL ROGERS PRACTICAL FUTURIST®

Why Book Michael Rogers?

Michael combines the storytelling skills of a best-selling novelist with the sharp insights of an award-winning investigative journalist.

Michael has both real business experience and a deep understanding of technology.

Michael is a dynamic and humorous speaker with decades of experience onstage.

Michael works closely with clients to customize each speech: as a writer, he enjoys creating new material.

Michael has a 25 year track record of accurately forecasting the future.

"You were absolutely fascinating and the room was buzzing over lunch; you got everyone talking!"

"Some futurists are good storytellers with plenty of charisma but no 'wisdom' or experience, and others have loads of experience but no charisma. You demonstrated both."

"Many of the delegates mentioned that your session was the most informative of the program-- and they especially appreciated your warmth and wit. We were very pleased that your remarks were so carefully tailored for our audience."
