Dr. Justin Cohen
Global Speaker | Bestselling Author

Dr. Justin Cohen is one of the world's leading experts in human transformation. He is a bestselling author and global speaker, who has hosted multiple, personal development television shows.

Dr. J is a speaker hall of fame inductee, and holds a doctorate in human transformation from Middlesex University, London.

He has spoken, trained and coached tens of thousands of people in over forty countries, providing them with powerful tools and insights to achieve lasting breakthroughs in their lives and businesses.

Dr. J hosted a CNBC Africa television talk show where he interviewed some of the world's leading experts on success. Along with Harvard Professor, Matt Killingsworth, Dr. J was the positive psychology expert on the global, Joy takes you further, happiness campaign.

Dr. J has written multiple bestsellers. His internationally acclaimed, signature program, is the Breakthrough Training. He has shared the stage with many luminaries including Deepak Chopra, Jack Canfield, John Maxwell and Richard Branson.

With cutting edge research, humour, entertaining stories and practical take-home tools, Dr. J will inspire and equip your people to unleash their potential.

**“Justin is the best keynote speaker we have ever had. We will definitely be using him again.”
Christopher Bentley, CEO, Royal Kensington.**

Dr. J has ten main programs which can be presented as keynotes or workshops.

Each program will be customized to meeting your objectives.

In ***The Psychology of Success***, Dr. J won't just **uplift** and **motivate** your people, he will give them the tools for **self-motivation**, so that they remain motivated long after the presentation and **achieve** their **goals**.

However even with the right psychology, there is no such thing as success without **successful relationships**. Based on Dr. J's bestselling book, ***Winning With Relationships*** your team will boost their social influence, necessary for success not just in **leadership** but in **sales** and **service** too.

Goals: *Design your destiny* delivers cutting edge scientific strategies to turn **vision** into reality. For instance, just one adjustment to a plan can triple the chances of success. Here you will also refine your personal and organisational **purpose**. A Wharton Business school study shows that clarity of **purpose** can double **goal achievement**.

Over a decade of research proves that **happiness** contributes to nearly every **business objective**. The Parnassus workplace fund only invests in happy companies and delivers a nearly 7% higher return than average. Based on cutting edge research, fresh out of the field of positive psychology, in ***Joy Takes You Further***, your people will discover the five keys to creating a happy workplace **culture**.

We've all participated in great programs that ultimately made little difference. **The Power of Positive Habits** provides cutting edge strategies to convert insight into **long-term behavioural change**.

Is your team struggling? In the **Breakthrough Master Class** they will discover a powerful five-step process to break through any challenge: personal, business or emotional.

Based on his bestselling book, **Pitch to Win**, Dr. J will show your team how to **present, persuade and close the deal**. Dr. J's formula has been credited with exponentially increasing **sales**.

We live in a new world of VUCA: volatility, uncertainty, complexity and ambiguity. In Zulu, Vuka means 'Wake up!' In **Are You Future Fit?** your people will discover the three keys to waking up to a future of their creation.

Finally, the smartest person in the room ... is the room! In the **Wisdom In The Room** Dr. J facilitates a powerful session to discover **best practices**.

In addition to being a top international conference speaker and author, Dr. J also **facilitates** strategy sessions and **emcees** events. Dr. J won't just read a script; he thoroughly researches your organization and objectives, ensuring that each introduction is relevant and personalized.

Bringing his extensive experience as a conference speaker, Dr. J will be the golden thread between the various presentations, providing entertaining insights and inspiration.

"You were one of the best event hosts I've ever seen. You did a marvelous job of summarizing the key points from each speaker and tying it together for the audience."

Fred Swaniker, CEO, African Leadership Academy

"Your ability to extract the key messages from each of the speaker's presentations reinforced the conference theme of "getting connected" as well as our key focus areas for the year ahead. By inspiring and motivating the team throughout the day you have set the HSBC MEFCO team up for success!"

Raymond O'Neil, MD, HSBC Bank, Middle East

"You are without a doubt the best Master of Ceremonies I have seen in action anywhere in my life. Your research done on the background and history of our company and attention to the detail of the specific function is highly commendable. You 'acted' as if you were part of RealNet Holdings for many years."

Tjaart van der Walt, CEO, Realnet Holdings

"You were brilliant! A very big part of the success was your skillful facilitation and enlightening insights which made the program very interesting from start to the WOW ending."

Vanya Lessing, CEO, Sure Travel
