

RON GARAN
Astronaut

[*Watch Ron Here*](#)

[*See Ron's Full Profile Here*](#)

Former NASA astronaut and highly decorated combat fighter Ron Garan racked up 178 days in space and more than 71 million miles in 2,842 orbits during tours on the International Space Station.

Former test pilot and graduate of the US Naval Test Pilot School, taught hundreds of aspiring pilots how to “up their game” at the prestigious USAF Fighter Weapons School, the Air Force version of Top Gun.

Lived and conducted research on the bottom of the ocean in the world’s only undersea research lab, Aquarius.

Celebrated for his research in space and for his humanitarian contribution to life on Earth

Key Take Aways

Learn how to write corporate social responsibility into the DNA of your organization.

Open and transparent collaboration will fuel tremendous economic growth.

The three-key pillars are: interdependence, profound collaboration, long-term thinking.
