

Dr. Michelle Rozen's

STAGE INTRODUCTION

A handwritten signature in white ink, appearing to read "Michelle Rozen", positioned at the bottom center of the page.

01

I am so excited to introduce you to our keynote speaker today, Dr. Michelle Rozen, aka The Change Doctor. Dr. Michelle Rozen holds a masters and a Ph.D. in Psychology and she is a highly respected authority on the psychology of change.

Dr. Rozen is the author of several books including her most recent book, *2 Second Decisions: The Secret Formula for Leading Change by Making Quick Winning Choices*. Her upcoming book *The 6% Club* will be published in May 2024.

Michelle Rozen

02

She is a frequent guest expert on the most prominent media network on issues related to motivation, personal and professional growth and managing change in our lives so that we can all do better, feel better and become better in every possible way, both as individuals and as leaders.

So, sit up, lean in, and get ready to get the master key to leading change with confidence in every area of your life, personally and professionally. Please help me welcome Dr. Michelle Rozen!
